Overview and Privacy

* indicates a required field

Before You Begin

About The Program

Thank you for your interest in the Department of Environment, Science and Innovation's Growing the Recovery of Organic Waste via Food Organic Garden Organic (GROW FOGO).

This program is open to the following councils to implement new or expanded, source-separated kerbside organic waste collection services to contribute to meeting local, state and national organic waste recovery and diversion targets:

- South East Queensland (SEQ) Councils (streams 1-4)
- Major Regional (R7) Councils (streams 1-4)
- Regional Councils other than R7 Councils (stream 3 only).

To better understand your project and whether it aligns with the objectives of the program, the department is looking for key information including applicant and project details, governance and funding. Please ensure that all information is provided on the application form, including the attachments where requested.

Please read the program guidelines ([Growing the Recovery of Organic Waste via Food Organic and Garden Organics \(GROW FOGO\) Fund](#)), which provides detail of funding eligibility and other program information, prior to progressing with your application.

Please ensure that you are completing the correct application form for your council. This form should be completed by R7 councils, or regional councils (other than R7) that are applying for funding to achieve bin harmonisation only.

I have read the program guidelines and are applying on behalf of an eligible council. *

☐ Yes

While Completing Your Application

You are strongly encouraged to save your application form every five to 10 minutes to reduce the risk of loss of information.

You will need to upload attachments to support your application. Files can be up to 25MB each; however files up to a maximum of 5MB are recommended - the larger the file, the longer it takes to attach.

Help is available to guide you through using this form - please download the [Help Guide for Applicants](#).

Program Queries

For queries about the guidelines, timeframes, or questions in the form, please contact the Office of Circular Economy Programs team by email CEPrograms@des.qld.gov.au.

SmartyGrants Queries

GROW FOGO Regional - Application Form

Form Preview

If a technical error occurs, staff at SmartyGrants are available to help you. Contact them on (03) 9320 6888 during business hours or email service@smartygrants.com.au and quote your application number.

Submitting Your Application

You need to review your application before you submit it, via the 'Review' button at the bottom of the navigation panel.

Once you have submitted your application, no further editing or uploading of supporting documents is possible. You will be required to contact the department if you wish to re-open a submitted application form.

When you submit your application form, you will receive an automated confirmation email with a copy of your submitted application attached. This will be sent to the email address that you used to register with SmartyGrants.

If you do not receive a 'confirmation of submission' email, to either your inbox or spam folder, then your application has not been received.

I have read and understand the above information *

☐ Yes

Privacy Statement

The Department of Environment, Science and Innovation is collecting personal information in the application form to assess your application for funding and prepare a grant deed should your application be successful.

All personal information you provide in this application form, including all attachments, will be routinely provided to the following parties for assessing the application:

- Other Queensland Government agencies to assess your application; and
- External assessment panel members.

Where necessary, information contained in your application may also be provided to the Queensland Minister for Environment and Science and the Ministers members of staff for reporting purposes (except for information which relates to the Departments confidentiality obligations).

If the application is successful, the following information will be routinely published on the Department of Environment, Science and Innovations media platforms:

- Organisation's name;
- Total amount of funding allocated;
- Project location and description; and
- Project outcomes (tonnage).

The Department will only use personal information for this purpose. It will otherwise not be used or disclosed unless authorised or required by law or with consent. Personal information will be handled in accordance with the [Information Privacy Act 2009](#).

The grant application and associated documentation is subject to the [Right to Information Act 2009](#). If you wish to access your personal information that is under the control of the department, you may contact [Right to Information Services](#).

If you have any questions or concerns regarding the privacy of your personal information, please contact the [Department's privacy team](#).

☐ Other:

% of households in your LGA that will receive the new organic kerbside collection service

This number/amount is calculated.

Funding requested

This number/amount is calculated.

What items will be included for the Food Organics (FO) collection?

- ☐ Fruit & vegetable scraps
- ☐ Leftover food & takeaway scraps (cooked and uncooked)
- ☐ Eggshells
- ☐ Bread, cereals, pasta & grains
- ☐ Dairy
- ☐ Loose tea leaves & coffee grounds
- ☐ Meat & seafood
- ☐ Bones
- ☐ Seafood & nut shells
- ☐ Other:

If there is a category of item which cannot be captured in the list above, please enter it into the Other Comments field.

Briefly summarise how the # of households for kerbside organic bins was calculated *

Word count:

Must be no more than 150 words.

What items will be included for the Garden Organics (GO) collection? *

- ☐ Grass clippings
- ☐ Small garden prunings from shrubs/trees
- ☐ Palm fronds
- ☐ Twigs, small branches & leaves
- ☐ Flowers & foliage
- ☐ Weeds including ivy, creepers & vines
- ☐ Other:

- ☐ Yes
☐ No

Comments (optional)

Stream 3

Stream 3 provides \$25 per household for bin harmonisation (i.e. replacement of dark green lids with red lids on general waste bins) to enable consistency with the Australian Standards – waste and recycling colour coding (AS4123.7-2006) and maximise the capture of each waste stream in the correct bin.

of households with compatible bins that will receive bin harmonisation *

Must be a number.

Note: Only Single Unit Dwellings (SUDs) are eligible for this program. Councils can apply for contingency funding for incompatible bins for bin lid harmonisation.

Proposed manufacturer *

Do the new bin lids meet the requirements under AS4123.7/2006 standards? *

- ☐ Yes

% of households in your LGA that will receive bin harmonisation

This number/amount is calculated.

Recycled content of bin lids (%) *

Please note where possible bins, caddies and bin lids should be manufactured using a proportion of recycled content.

Funding requested

This number/amount is calculated.

Contingency funding can be applied for at the time of application or at Milestone 2. Please indicate your intent below.

Note: Only contingency funding for incompatible bins is available at the time of application. Other available contingency funding can be applied for at Milestone 2.

Briefly summarise how the # households for bin lid harmonisation was calculated. *

Word count:

Must be no more than 150 words.

What is the estimated cost per household for council to achieve bin harmonisation (compatible bins only)? *

Must be a dollar amount.

Note: excluding any funding requested through stream 3.

Please attach supporting evidence for your calculations *

Attach a file:

e.g. Data and/or calculations of how the number was chosen, quote from supplier.

Please provide procurement details *

e.g. Timing considerations, selection criteria used to choose supplier.

Upload any other relevant supporting documentation

Attach a file:

Form Preview

I can confirm Council intends to follow the funding acknowledgement requirements for bin lids as detailed in the Program Guidelines (see Appendix 2) *

☐ Yes

☐ No

Comments (optional)

Where possible, bins and/or bin lids must be recovered for reprocessing (recycling or reuse). Please provide evidence from Council or their supplier(s) / contractor(s) demonstrating their intention below.

Attach a file:

This can be supplied at Milestone 1 instead (if preferred). Evidence suggested - email from supplier.

Comments (optional)

Stream 3 Contingency Funding - Incompatible Bins

Please note that contingency funding for incompatible bins and bin breakages is capped at 7.5% of stream 3 funding. Contingency funding for incompatible bins (only) may be applied for at the application stage with appropriate documentation.

Total number of bins incompatible with lid exchange and require replacement *

Must be a number.

This is the amount of bins that cannot undergo bin harmonisation and require additional funding to be replaced with a full bin.

Total cost of supply, delivery and installation of bins (to replace with incompatible lids). *

\$

Must be a dollar amount.

Total amount of contingency funding sought by Council. *

\$

Must be a dollar amount.

Note: Cap of 7.5% of stream 3 funding

Please provide evidence showing how the number of incompatible lids was calculated/estimated *

Attach a file:

Please provide evidence of total cost of supply and delivery of incompatible bins, supported by quotes from suppliers and/or contractors *

Attach a file:

Stream 4

Stream 4 provides \$10 per household to contribute towards council-specific education and awareness activities ***related to the inclusion of organic materials in the council waste collection service.*** Education and awareness activities must be developed in the

Upload evidence of the council executive support here *

Attach a file:

Project schedule summary - include start and finish dates for each funding activity per stream (if you have a more detailed plan, please also update it below)

GROW FOGO Regional - Application Form

Form Preview

Please upload your project schedule file here (if available)

Attach a file:

Please consult the program guidelines for supporting documentation

Overall context and rationale for service changes. This includes community and environmental context *

Describe the environmental context community need/demand for this service. This could be qualitative information like “organic waste has increased as portion of total MSW, increasing rate of voluntary organic collection service, rising rate of community composting operations in area”, etc. Describe how the proposed changes support improved waste management and resource recovery.

Describe how Council is maximising local content through greater participation of capable local industry for each stream of funding applied for *

This may include procuring local bin suppliers/collectors, local processors, collection supplies or manufacturing.

Included locations *

This should include proposed suburbs for new service.

Rationale for excluded areas

Describe any opt-in or opt-out conditions for the organics service

Describe the process for applying for opting out / non-participation. Note: Not required for Stream 3 funding applications.

Business Case

The business case endorsed or approved by council of the proposed project must address the following items:

- 1.governance, risk and project management
- 2.commercial analysis including procurement and contractual considerations

GROW FOGO Regional - Application Form

Form Preview

3. material flows including expected capture rates and yields for all streams, considering changes over time
4. plan for processing of collected organics material
5. reasonable consideration of buy back arrangements, subject to quality requirements and other limitations
6. financial analysis that clearly demonstrates costs of status quo and organic collection service options, including consideration of levy rates, grant funding, impacts to user charges (total annual cost per household), cost per tonne recovered, and revenues/shortfalls through full cost pricing analysis.

Please attach the business case or equivalent documentation here *

Attach a file:

The attachment/s should include evidence to support the above fields.

Date business case (or equivalent documentation) was endorsed by council *

Must be a date.

Upload evidence of council endorsement here *

Attach a file:

Describe any changes to the residual waste bin (red lid) service as a result of the project *

E.g. bin size, collection frequency

Organics collection service provider(s) *

Provide tender information if the provider is not yet engaged.

Organics processing service provider(s) *

Provide tender information if the provider is not yet engaged.

Processor EA number (if known)

Processor facilities *

Please include location(s), and details of facility technology (e.g. open windrow)

GROW FOGO Regional - Application Form

Form Preview

Please provide evidence of processor(s) compliance and licensing, including consideration of waste volumes and capacity

Attach a file:

The program requires written confirmation from processor(s) that GO/FOGO material will be processed at a lawful facility. FO material must also be processed at a facility that can lawfully receive and process high odour risk feedstocks.

Anticipated annual quantity of GO collected (tonnes)

Must be a number.

Anticipated annual quantity of FOGO collected (tonnes)

Must be a number.

Outline projected changes in quantities over time

Where possible, councils should provide an economic analysis that considers cost/benefit assessment - job impacts, contribution to relevant targets, contribution to organic product markets, carbon emissions assessment and landfill diversion benefits. Please upload relevant documentation here if available

Attach a file:

What is the number of jobs expected to be created by the project?

This includes all the funding streams nominated by the council.

Activities funded under this application will commence within two years of execution of a funding agreement *

☐ Yes ☐

Communications and Engagement

* indicates a required field

Please ensure you have read the Program Guidelines carefully. A communications and engagement plan (plan) may be submitted at **Milestone 1** if not currently available or is awaiting council endorsement. Milestone 1 of the funding agreement (see Program Guidelines - Appendix 3) will require councils to submit further communication and engagement details, particularly around funding acknowledgement. This can be in the form

GROW FOGO Regional - Application Form

Form Preview

of an updated plan or as additional attachments. It is suggested that all applicants share the Program Guidelines with their relevant council communications/marketing staff at the time of application.

- **Streams 1 & 2 funding:** the plan must deliver *region-specific messaging and resources to support community adoption of a new organics kerbside service*
- **Stream 3 funding:** the plan must support *community understanding of the proposed changes*.
- **Stream 4 funding:** it is recommended that all education and awareness activities are detailed in this plan. These activities must be developed in the *context of changes to the council waste collection service, and messaging should guide householders to manage the change from a 2-bin to a 3-bin service, including what can be disposed in each bin and how to go about it*.

For those councils applying for funding related to a new organics service *and* bin harmonisation, the communications and engagement plan may be submitted as separate or combined documents.

Do you wish to submit the communication and engagement plan as part of your application? *

☐ Yes

☐ No

Please provide the communication and engagement plan for the proposed project funding streams with evidence of Council executive level endorsement or approval.

Please attach the plan here: *

Attach a file:

Date the plan received council executive support *

Must be a date.

Upload evidence of council executive support here *

Attach a file:

Comments

If a communication and engagement plan is not yet completed, please note that it **will be a requirement** at Milestone 1 of the Funding Agreement.
