

Q-CAS2026 Application Form

Form Preview

General Information

CLOSING DATE: 12 October 2026 at 1.00PM (AEST)

PLEASE NOTE; APPLICATIONS ARE ONLY FOR QUEENSLAND BASED APPLICANTS.

IMPORTANT - PLEASE READ THE FOLLOWING INFORMATION BEFORE COMMENCING YOUR APPLICATION ONLINE.

BEFORE YOU BEGIN

Welcome to the Department of the Environment, Tourism, Science and Innovation's (the Department) online grant application service for the Queensland-Chinese Academy of Sciences Collaborative Science Fund 2026.

This program will allocate funding to develop relationships between Queensland and China by supporting practical and applied collaborative science and research projects in the priority areas of, environmental science, agricultural biotechnology and food research, including food safety, human health and medical research.

You are required to fully read the Queensland-Chinese Academy of Sciences Collaborative Science Fund guidelines [here](#) to understand the department's requirements before proceeding with your application.

You are required to fully read and agree to the [Terms and Conditions](#) to understand the department's requirements before you proceed with your application.

Ensure you have read and accept the terms and conditions of the [financial incentive agreement](#), and declaration prior to submitting an application for funding, as they will not be negotiable at the time a funding offer is made.

NAVIGATING (FILLING OUT) THE APPLICATION FORM

On the left-hand side of every screen, there is a box which links directly to every page of the application form. Click the link to move directly to the page you want. You can also click 'next page' or 'previous page' on the top or bottom of each page to move forward or backward through the application form.

You are strongly encouraged to save your application form every 5 to 10 minutes to reduce the risk of loss of information.

SAVING YOUR DRAFT APPLICATION FORM

If you want to leave a partially completed application, press 'save' and log out. When you log back in and click the 'My Applications' link at the top of the screen, you will find a list of applications you have started or submitted.

You can re-open your draft application and continue where you left off.

DOWNLOAD DRAFT APPLICATION

You can also download any application, whether in draft form or submitted, as a PDF file. Click on the 'Download' button at the bottom of the application navigation panel.

SUBMITTING YOUR APPLICATION

Q-CAS2026 Application Form

Form Preview

You will find a 'Review' button at the bottom of the navigation panel. You need to review your application before you submit it. Ensure that all fields and mandatory questions marked with an asterisk '*' are completed.

Once you have reviewed your application, you can submit it by clicking on 'Submit' at the top of the screen or on the navigation panel.

IMPORTANT: Any question marked with an asterisk (*) is mandatory. Failure to answer any of these questions will stop you from being able to complete and submit your application form.

Once you have submitted your application, no further editing or uploading of supporting documents is possible.

When you submit your application form, you will receive an automated confirmation email with a copy of your submitted application attached. This will be sent to the email address that you used to register with SmartyGrants.

If you do not receive a 'confirmation of submission' email, then your application has not been received. Review the error message highlighted in red and ensure that all mandatory fields have been completed. You should then be able to successfully submit your application.

ATTACHMENTS AND SUPPORTING DOCUMENTS

You will need to upload attachments to support your application. This is simple but will require you to have the documents saved on your computer, or on a USB stick, or similar.

You will need to allow enough time for each file to upload before trying to attach another file. Files can be up to 25MB each; however files up to a maximum of 5MB are recommended - the larger the file, the longer it takes to attach.

Remember - some requested document fields are mandatory. Failure to attach them will stop you from being able to successfully submit your application form.

If you are not able to attach a document, please contact SmartyGrants on phone (03) 9320 6888 for technical support.

COMPLETING AN APPLICATION IN A GROUP OR TEAM

A number of people can work on an application form using the same login details, as long as only one person is working on the application form at a time. Ensure that you save as you go. It is recommended that the email address provided be accessible by multiple people within the organisation, such as *admin@project.com.au*. This ensures that correspondence is readily seen and allows for any changes in staff throughout the duration of the project.

SPELL CHECK

Most internet browsers (including Firefox v2.0 and above, Safari, and Google Chrome) have spell check functions built in. You can switch this function on or off by adjusting your browser settings.

HELP

If a technical error occurs, staff at SmartyGrants are available to help you. Contact them on phone (03) 9320 6888 during business hours or email service@smartygrants.com.au and quote your application number.

Help is available to guide you through using this form - please download the [Help Guide for Applicants](#).

PROGRAM QUESTIONS

Q-CAS2026 Application Form

Form Preview

For queries about the guidelines, deadlines, or questions in the form, please read the [Q-CAS FAQ's](#), contact the Grants Administration team on (07) 3330 6360 or email grantsadministration@detsi.qld.gov.au.

Assessment Criteria 1

* indicates a required field

AC1 - Level of novelty and scientific merit of the project (30%) weighting.

Please demonstrate how:

- The science and research is addressing a current and significant challenge for both Queensland and China.
- Preliminary research has been undertaken (by the applicant, project partners or others) that supports the advancement of the project.

*

Word count:

Must be no more than 500 words.

Assessment Criteria 2

* indicates a required field

AC2 - Quality of the Collaboration and Capability of the Project Team (30% weighting).

Please demonstrate how:

- Science and research partners with complementary areas of expertise will work together on a specific project.
- The project will build upon the competitive advantages of Queensland and China.
- The participants have the research, scientific and management skills and experience, with the access to infrastructure and funding required, to successfully deliver the project.

*

Word count:

Must be no more than 1000 words.

Assessment Criteria 3

* indicates a required field

AC3 - Outcomes and impact of the project (40% weighting).

Please demonstrate how:

- The project will develop innovative products, technologies or processes that have a practical application within an area of identified priority.
- The project will deliver real and tangible economic, social, and/or environmental benefits for Queensland and China.
- Industry partners and/or other external parties are contributing to the project financially. Financial contribution of industry partners is highly desirable. Contributions from other external parties would also be considered positively.

*

Word count:
Must be no more than 1000 words.

Project Activities and Outcomes

Q-CAS Collaborative Science Fund projects are required to report on progress at six-monthly intervals.

Detail the activities planned and the outcomes expected for each six-month period of the proposed project.

The fund aims to develop relationships between Queensland and China by supporting practical and applied collaborative science and research projects in the priority area of environmental sciences, which contribute to developing solutions relevant to:

- environmental science
- agricultural biotechnology and food research, including food safety, and
- human health and medical research

List the activities briefly in dot point or numbered format, using plain English.

Should the application for funding be approved, the information in this section will form part of the funding agreement and progress against these activities and outcomes will be monitored closely.

Research Period 1 - List the activities scheduled for the first reporting period of the project.

Dot point or numbered format and plain English

Research Period 1 - List the outcomes you expect to achieve during the first reporting period of the project

Dot point or numbered format and plain English

Research Period 2 - List the activities scheduled for the second reporting period of the project

- I have reviewed and accept the Queensland-Chinese Academy of Sciences Collaborative Science Fund Guidelines and Financial Incentive Agreement available on the Queensland Government website.

and I acknowledge that:

- the Department of the Environment, Tourism, Science and Innovation (DETSI) may undertake any necessary checks (subject to any written notification as to confidentiality provided to the Department)
- an offer of funding under the Queensland-Chinese Academy of Sciences Collaborative Science Fund will be subject to the Applicant Organisation signing and returning a Financial Incentive Agreement within 15 business days of receiving the Financial Incentive Agreement from DETSI or the offer will lapse.

Privacy

The Department of the Environment, Tourism, Science and Innovation (DETSI) collects information, including your personal information, on the application form to evaluate applications for the Queensland - Chinese Academy of Science Collaborative Science Fund grants and to announce and publicise the successful applicants.

Applications for the Program are to be lodged on the [SmartyGrants website](#), a third-party cloud-based platform operated by 'Our Community Pty Ltd'. The Our Community Privacy Policy states that they may use third party service providers that may store information outside Australia. By lodging an application, you do so under the conditions in the Our Community Privacy Policy and agree to any overseas transfer of information made in accordance with that Policy.

Q-CAS2026 Application Form

Form Preview

Information contained in your application, including the applicant and organisation names, contact details, project description and partnering supervisor, will also be provided to the Australia Department of Foreign Affairs and Trade and other relevant Australian Government agencies for the purpose of assessment under the Australia's Foreign Relations (State and Territory Arrangements) Act 2020 (Cth). The approved grant assessors are required to sign an agreement that binds them to hold the information in confidence and in accordance with the Information Privacy Act 2009 (Qld).

Generic data (no personal information) will also be provided to Trade and Investment Queensland (TIQ),

Information contained in your application, including the applicant and organisation names, project description and partnering supervisor, will also be provided to the Australia Department of Foreign Affairs and Trade and other relevant Australian Government agencies for the purpose of assessment under the Australia's Foreign Relations (State and Territory Arrangements) Act 2020 (Cth). By lodging an application, you agree to this information being transferred as mentioned above.

The Minister for the Environment and Tourism and Minister for Science and Innovation will publicly announce details of the successful applicants. Following that announcement, the details of successful applicants will be listed on the Queensland Government website. Therefore, if your application is successful, the following information will be published on the Queensland Government website:

- your name, and your organisation's name
- the total amount of funding allocated,
- the project name, location, description, and partnering organisation,
- the expected project outcomes, and
- photographs or any other details.

This information may also be used and/or disclosed to promote the Program and the funded projects.

Your personal information will not otherwise be used or disclosed unless authorised or required by law.
