

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

General Information

* indicates a required field

Closing Date: 10 July 2024 at 3.00pm AEST.

PLEASE NOTE: APPLICATIONS ARE ONLY FOR QUEENSLAND BASED APPLICANTS.

Important - Please read the following information before commencing your application online.

BEFORE YOU BEGIN

Welcome to the Department of Environment, Science and Innovation (the department) online grant application service for the Queensland-Bavaria Collaborative Research Program 2024.

This program aims to develop relationships between Queensland and Bavaria by supporting practical and applied collaborative science and research projects and help build capacity in research and development, support the growth of businesses to deliver new products and services into global markets, and support new industries that will provide future jobs.

You are required to fully read the [Guidelines](#) and understand the department's requirements before proceeding with your application. If successful, the applicant will be required to sign a detailed Financial Incentive Agreement. As part of the application process an initial **Financial Incentive Agreement Declaration Form** is required to be completed, which can be found [here](#).

PROGRAM QUESTIONS

For queries about the guidelines, deadlines, or questions in the form, please contact the Grants Administration Unit on 07 3170 5857, or via email at science.grants@des.qld.gov.au.

You are strongly encouraged to save your application form every five to 10 minutes to reduce the risk of loss of information.

ABOUT THIS FORM

HELP

If a technical error occurs, staff at SmartyGrants are available to help you. Contact them on (03) 9320 6888 during business hours or email service@smartygrants.com.au and quote your application number.

Help is available to guide you through using this form - please download the [Help Guide for Applicants](#).

NAVIGATING - Filling out the application form.

On the left-hand side of every screen, there is a box which links directly to every page of the application form. Click the link to move directly to the page you want. You can also click 'next page' or 'previous page' on the top or bottom of each page to move forward or backward through the application form.

SAVING YOUR DRAFT APPLICATION FORM

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

If you want to leave a partially completed application, press 'save' and log out. When you log back in and click the 'My Applications' link at the top of the screen, you will find a list of applications you have started or submitted.

You can re-open your draft application and continue where you left off.

DOWNLOAD DRAFT APPLICATION

You can also download any application, whether in draft form or submitted, as a PDF file. Click on the 'Download' button at the bottom of the application navigation panel.

SUBMITTING YOUR APPLICATION

You will find a 'Review' button at the bottom of the navigation panel. You need to review your application before you submit it. Ensure that all fields and mandatory questions marked with an asterisk '*' are completed.

Once you have reviewed your application, you can submit it by clicking on 'Submit' at the top of the screen or on the navigation panel.

IMPORTANT: Any question marked with an asterisk (*) is mandatory. Failure to answer any of these questions will stop you from being able to complete and submit your application form.

Once you have submitted your application, no further editing or uploading of supporting documents is possible.

When you submit your application form, you will receive an automated confirmation email with a copy of your submitted application attached. This will be sent to the email address that you used to register with SmartyGrants.

If you do not receive a 'confirmation of submission' email, then your application has not been received. Review the error message highlighted in red and ensure that all mandatory fields have been completed. You should then be able to successfully submit your application.

ATTACHMENTS AND SUPPORTING DOCUMENTS

You will need to upload attachments to support your application. This is simple but will require you to have the documents saved on your computer, or on a USB stick, or similar.

You will need to allow enough time for each file to upload before trying to attach another file. Files can be up to 25MB each; however, files up to a maximum of 5MB are recommended - the larger the file, the longer it takes to attach.

Remember - some requested document fields are mandatory. Failure to attach them will stop you from being able to successfully submit your application form.

If you are not able to attach a document, please contact SmartyGrants on (03) 9320 6888 for technical support.

Please note: Two quotes for expenditure items over \$10,000 and evidence of public liability insurance coverage can be submitted to the Department, if successful, prior to the execution of the grant agreement.

COMPLETING AN APPLICATION IN A GROUP OR TEAM

A number of people can work on an application form using the same login details, as long as only one person is working on the application form at a time. Ensure that you save as you go. It is recommended that the email address provided be accessible by multiple people within the organisation, such as admin@project.com.au. This ensures that correspondence is readily seen and allows for any changes in staff throughout the duration of the project.

SPELL CHECK

Most internet browsers (including Firefox v2.0 and above, Safari, and Google Chrome) have spell check functions built in. You can switch this function on or off by adjusting your browser settings.

Please confirm that you have read the above information before proceeding. *

- ☐ Yes
- ☐ No

Project Summary

* indicates a required field

Prior/Current Financial Support

Is the Applicant or Partner(s) receiving Queensland Government financial support for their core activities relevant to the proposed project? *

- ☐ Yes
☐ No

If yes, is the project clearly different and/or additional to these core activities/business?

- ☐ Yes
☐ No

Please demonstrate how the project is different and/or in addition to the core activities/business.

Please note, your project will be INELIGIBLE if the lead Queensland-based applicant (and/or any Queensland partner/s) receives Queensland Government support for their core activities and it cannot be demonstrated that the proposed project is an addition to those core activities.

Project Description

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

Please note, the research description should be highly consistent in the applications submitted by the Queensland and Bavarian lead partners respectively. These may include participating partners, narrative/vision, objectives, outcomes, impact, timeline and budget.

Project duration *

Please note, the project's duration is to be a maximum of two years.

Brief project outline *

Word count:

Must be no more than 200 words.

Please explain the background to the research? *

Word count:

must be no more than 200 words

What are the research questions and gaps? *

Word count:

must be no more than 200 words

Please explain the research objectives? *

Word count:

must be no more than 200 words

Please explain the research methods? *

Word count:

What are the expected outcomes at the end of the project? *

Word count:

Must be no more than 200 words.

What will be the outcomes and impact of the project within three years of its commencement? *

Are you registered for GST?

- ☐ Yes
- ☐ No

Recipient Created Tax Invoice (RCTI)

As you have selected 'Yes' to the above question, "Are you registered for GST", you do not need to provide the Department with an invoice for the first payment. Rather, a Recipient Created Tax Invoice (RCTI) will be generated. This is done by our team in our finance system.

A RCTI will only be created for recipients who have an ABN and are registered for GST. This is how you will receive the Grant Funding.

Invoice

As you have selected 'No' to the above question, "Are you registered for GST", this means you either have an ABN but are not registered for GST or do not have an ABN.

You will have to provide the Department a GST-exclusive invoice yourself in order to receive Grant Funding.

Project Funding

* indicates a required field

Exchange rate

All figures should be Australian Dollars and should be consistent with the application submitted by the Bavarian lead partner.

What AUD:EURO exchange rate has been used for this application? *

Project Expenditure

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

Please include expenditure only related to the Queensland-based part of the project, funded by either the Queensland Government, Applicant Organisation or Queensland-based Partner Organisation(s).

Salary Costs

Costs listed here are **eligible** for Queensland Government funding.

Will you be utilising Queensland Government funding (through the Queensland-Bavaria Program), Queensland Applicant Organisation cash contributions, or Partner Organisation cash contributions, to cover salary costs for project staff (e.g., for Research Assistants, Project Leaders, etc)? If so, under 'List expenditure items' please list the staff member(s) position, name (if known), and number of hours projected to work (if known). Then please include the salary amount in the relevant column.

For example: List expenditure items: 'Casual Research Assistant - 100 hours at HEW 5.5' Queensland-Bavaria Program Funding: '\$3,239'.

List expenditure items	Queensland-Bavaria Funding	Applicant Organisation Funding	Partner Organisation(s) Funding

Assessment Criteria 1

* indicates a required field

AC1 - Level of novelty and scientific merit of the project (30% weighting)

Demonstrate that:

- The science and research address a current and significant challenge for both Queensland and Bavaria.
- Preliminary research has been undertaken (by the applicant, project partners or others) that supports their advancement of the project.

AC1: *

Please respond to this criterion in 200 - 500 words.

Assessment Criteria 2

* indicates a required field

AC2 - Quality of the Collaboration and Capability of the Project Team (30% weighting)

Demonstrate that:

- Science and research partners with complementary areas of expertise will work together on a specific project.
- The project will build upon the competitive advantages of Queensland and Bavaria.
- The participants have the research, scientific and management skills and experience, with the access to infrastructure and funding required, to successfully deliver the project.

AC2: *

Please respond to this criterion in 200 - 500 words.

Assessment Criteria 3

* indicates a required field

AC3 - Outcomes and impact of the project (40% weighting)

Demonstrate:

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

- The project will develop innovative, technologies or processes that have the potential for practical application within an area of identified priority. Technology readiness will be taken into account.
- The project will deliver real and tangible economic, social, and/or environmental benefits for Queensland and Bavaria.

*

Please respond to this criterion in 200 - 500 words.

Involvement of industry partner(s) and/or other external parties in the research projects (Financial contribution of industry partners is highly desirable. Contributions from other external parties would also be considered positively).

*

Please respond to this criterion in 200 - 500 words.

Project Activities and Outcomes

Queensland-Bavaria Collaborative Research projects are required to report on progress at six-monthly intervals.

Detail the activities planned and the outcomes expected for each six-month period of the proposed project.

The fund aims to develop relationships between Queensland and Bavaria by supporting practical and applied collaborative science and research projects in the priority areas of:

- Additive manufacturing
- Aerospace
- Quantum technologies
- Artificial Intelligence (AI)
- Cleantech and emission reduction technologies
- Energy (including green hydrogen, synthetic fuels and energy storage) and
- Health, life sciences, biomedical research and bioeconomy

List the activities briefly in dot point or numbered format, using plain English.

Should the application for funding be approved, the information in this section will form part of the funding agreement and progress against these activities and outcomes will be monitored closely.

Research Period 1 - List the activities scheduled for the first reporting period of the project. (six calendar months from the project Start Date).

Applicant Declaration

* indicates a required field

Refer to the [Electronic Transaction \(Qld\) Act 2001](#) prior to acknowledging and accepting this declaration.

Project Name *

With reference to the application to the Queensland-Bavaria Collaborative Research Program for the named project.

I,

Title

First Name

Last Name

Name of Authorised Officer

acting in the position of,

Position of Authorised Officer

and in this regard acting for the Applicant Organisation,

I certify that:

- the information provided in this application is true, accurate and not misleading
- the Applicant Organisation and/or its partners have received no guarantees or assurance that the application will be approved by the Queensland Government
- I have reviewed and accept the Queensland-Bavaria Collaborative Research Program Guidelines and Financial Incentive Agreement available on the Queensland Government website.

and I acknowledge that:

- the Department of Environment, Science and Innovation (DESI) may undertake any necessary checks (subject to any written notification as to confidentiality provided to the Department)
- an offer of funding under the Queensland-Bavaria Collaborative Research Program will be subject to the Applicant Organisation signing and returning a Financial Incentive Agreement within 15 business days of receiving the Financial Incentive Agreement from DESI or the offer will lapse.

Privacy

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview

The Department of Environment, Science and Innovation (DESI) collects information, including your personal information, on the application form to evaluate applications for the Queensland-Bavaria Collaborative Research Program grants and to announce and publicise the successful applicants.

Applications for the Program are to be lodged on the [SmartyGrants website](#), a third-party cloud-based platform operated by 'Our Community Pty Ltd'. The Our Community Privacy Policy states that they may use third party service providers that may store information outside Australia. By lodging an application, you do so under the conditions in the Our Community Privacy Policy and agree to any overseas transfer of information made in accordance with that Policy.

The information contained in the application will be provided to authorised DESI officers and approved grant assessors under the *Financial Accountability Act 2009 (Qld)* for the purpose of assessing and administering the application. The approved grant assessors are required to sign an agreement that binds them to hold the information in confidence and in accordance with the Information Privacy Act 2009 (Qld).

Generic data (no personal information) will also be provided to Trade and Investment Queensland (TIQ),

Information contained in your application, including the applicant and organisation names, project description and partnering supervisor, will also be provided to the Bavarian State Ministry of Science and the Arts for the purpose of assessing the application and administering the program. By lodging an application, you agree to this information being transferred to the Bavarian State Ministry of Science and the Arts, which is subject to the *Bavarian Data Protection Act* [Bavaria | DataGuidance](#). If you require further information on the protections provided for under that Act, please speak with your contact at the Bavarian Ministry.

The Minister for the Environment and the Great Barrier Reef and Minister for Science and Innovation will publicly announce details of the successful applicants. Following that announcement, the details of successful applicants will be listed on the Queensland Government website. Therefore, if your application is successful, the following information will be published on the Queensland Government website:

- your name, and your organisation's name
- the total amount of funding allocated
- the project name, location, description and partnering organisation
- the project outcomes.
- Photographs or any other details

This information may also be used and/or disclosed to promote the Program and the funded projects.

Your personal information will not otherwise be used or disclosed unless authorised or required by law.

Feedback

You are now coming to the end of your application process and before you **REVIEW** and click the **SUBMIT** button, please take a few moments to provide some feedback.

We would value any feedback you may have regarding our online grants application process.

QLD-Bavarian Collaborative Research Program Development Grant Application 2024

Form Preview
